# Webside score hpcsolution.tech

Genereret September 19 2023 17:52 PM

Scoren er 46/100

**Fast rendering**  
 Generate screenshots in a matter of seconds. Never busy, so there's no waiting in line. Rendering starts immediately and is finished quickly.

**Accurate screenshots**  
 Using two different rendering techniques, we ensure that the screenshots and website thumbnails are always generated properly. If one method fails, the second always succeeds.
