# Website beoordeling kr.yayoye.com

Gegeneerd op December 05 2022 16:06 PM

De score is 53/100

## Fast rendering

Generate screenshots in a matter of seconds. Never busy, so there's no waiting in line. Rendering starts immediately and is finished quickly.

## Accurate screenshots

Using two different rendering techniques, we ensure that the screenshots and website thumbnails are always generated properly. If one method fails, the second always succeeds.
